Speculation: John A. M. Booher is the son of Michael Booher and Mary Houser. *Basis for speculation:* Martin Booher Sr. had 7 sons. Of those 7 sons, to the older 5 of them, he bequeathed in his will land holdings in the Sullivan County, Tennessee area. To the youngest son he bequeathed a monetary inheritance. To the other two sons, Samuel and Michael, Martin bequeathed land in Scott Co, VA. From the census records, we find that Samuel and his wife Mary lived in Scott Co., where Samuel died at a young age. Mary and her children continued to live in Scott Co., as evidenced by census records of 1850 and 1860. Michael, on the other hand, sold his land holdings and moved to Robertson, TN. Michael and his wife Mary can be followed through census records for several decades, still living in Robertson, TN. In Estillville, Scott Co., VA, we find in 1860 a son of Samuel, John A. and his wife, Sarah C. Sproles, and family. We also find, in close proximity, John A. M. and his wife, Sarah, and family. The only piece of evidence that would cast doubt on the assumption that John A.M. is the son of Michael is the census of 1860, because a John of the appropriate age is in the household of Michael and Mary in Robertson, TN during that same census year. A plausible explanation does exist, however. The census in Estillville, Scott Co., VA was taken in June. The census in Robertson, TN was taken in October. There is a possibility that John was visiting his parents, perhaps to help with harvest, when the census taker arrived at their home. At this time, I can find no other reasonable explanation for the identify of John A.M. and the John in the home of Michael and Mary in TN in 1860.

Will of Martin Booher: Martin willed son **Michael** 205 acres in Scott Co. VA, part of a tract purchased from William Head, for \$18.00. Very little is known of Michael Booher, son of Martin, other than he and his wife, Mary, sold 234 acres of the tract that had been deeded to him by his father, to William Johnson for the sum of \$1,200. This was located on Cove Creek in Scott Co. VA. The deed was recorded April 18, 1838.

Francoise Marmaroli Francoise Marmaroli passed away on January 21, 2015

During WWII while in Marseilles, France, Herbert met and fell in love with Francoise Marmaroli. Francoise was pregnant with Herbert's daughter when Herbert was discharged and sent home to the States. Herbert obtained the necessary paperwork to have Francoise join him in the U.S. The facts surrounding the fact that Francoise never came to the United States are unknown to this genealogist. However, the lovely Gisele Francine Louise Marmaroli Martin has been found, or rather, her youngest son found us, her America family. We are so happy and excited to now have a relationship with our first sister.

"Aunt Catharine was just an adolescent girl when I was born, and she used to come over and play with me a lot. Her brothers and sisters called her Cat, for short. One day, when I was about as lonely as a 2-year-old can get--or spoiled for attention as the case may be--I went to the door and called, 'Hey Aunt Kitty Cat', get me."
