Francoise Marmaroli Francoise Marmaroli passed away on January 21, 2015

During WWII while in Marseilles, France, Herbert met and fell in love with Francoise Marmaroli. Francoise was pregnant with Herbert's daughter when Herbert was discharged and sent home to the States. Herbert obtained the necessary paperwork to have Francoise join him in the U.S. The facts surrounding the fact that Francoise never came to the United States are unknown to this genealogist. However, the lovely Gisele Francine Louise Marmaroli Martin has been found, or rather, her youngest son found us, her America family. We are so happy and excited to now have a relationship with our first sister.

"Aunt Catharine was just an adolescent girl when I was born, and she used to come over and play with me a lot. Her brothers and sisters called her Cat, for short. One day, when I was about as lonely as a 2-year-old can get--or spoiled for attention as the case may be--I went to the door and called, 'Hey Aunt Kitty Cat', get me." As reported by my mother, Nellie Privette Blaylock J.B.K.
